Happy New Year

Goodbye 2020, welcome 2021. There is a light at the end of the tunnel. We're all looking forward to living without the looming pandemic around every corner. Until we get to that time, The Comet will continue to practice and enforce all the precautions currently in place to keep staff and guests safe and healthy. Once again, thanks for your ongoing support and cooperation. And a special thank you to our regulars, who come to bowl and hang out on a near-daily basis, and have grown to be an integral part of The Comet family and community.

Finally, I'd once again like to recognize the amazing perseverance and dedication of our staff at The Comet.

From furloughs to shutdowns to paycuts to covid scares, the people who greet and serve our guests, prepare their food, and maintain the lanes and machines have stayed strong and supported one another throughout. Jess, Rich, Derek, Doug, Susan, Seth, Rudy, Tori, Elliott, Royce, Alex, Kolby, James and Ansley – Thank you all.

Cheers, peace, and be well.
